26 Club

In order for a Montour Elementary School student to become a member of the 26 Club they must run a total of 26 miles, read 26 books and perform 26 acts of kindness over the course of the school year. Students can record their information starting from the first day of school up until the last day of school.

Please write the title of each book read, record each act of kindness, and circle miles walked or run. Whenever the passbook is complete write the date, have a parent sign the bottom of the sheet, and turn into homeroom teacher.

Students who become members of the 26 club will be recognized in school and will be given a prize.

Best of luck becoming a 26 Club member!
